ORGANIZATION

Duration: 12 weeks, 1 lesson of 2 hours per week

Structure: Each lesson is organized in the following way:

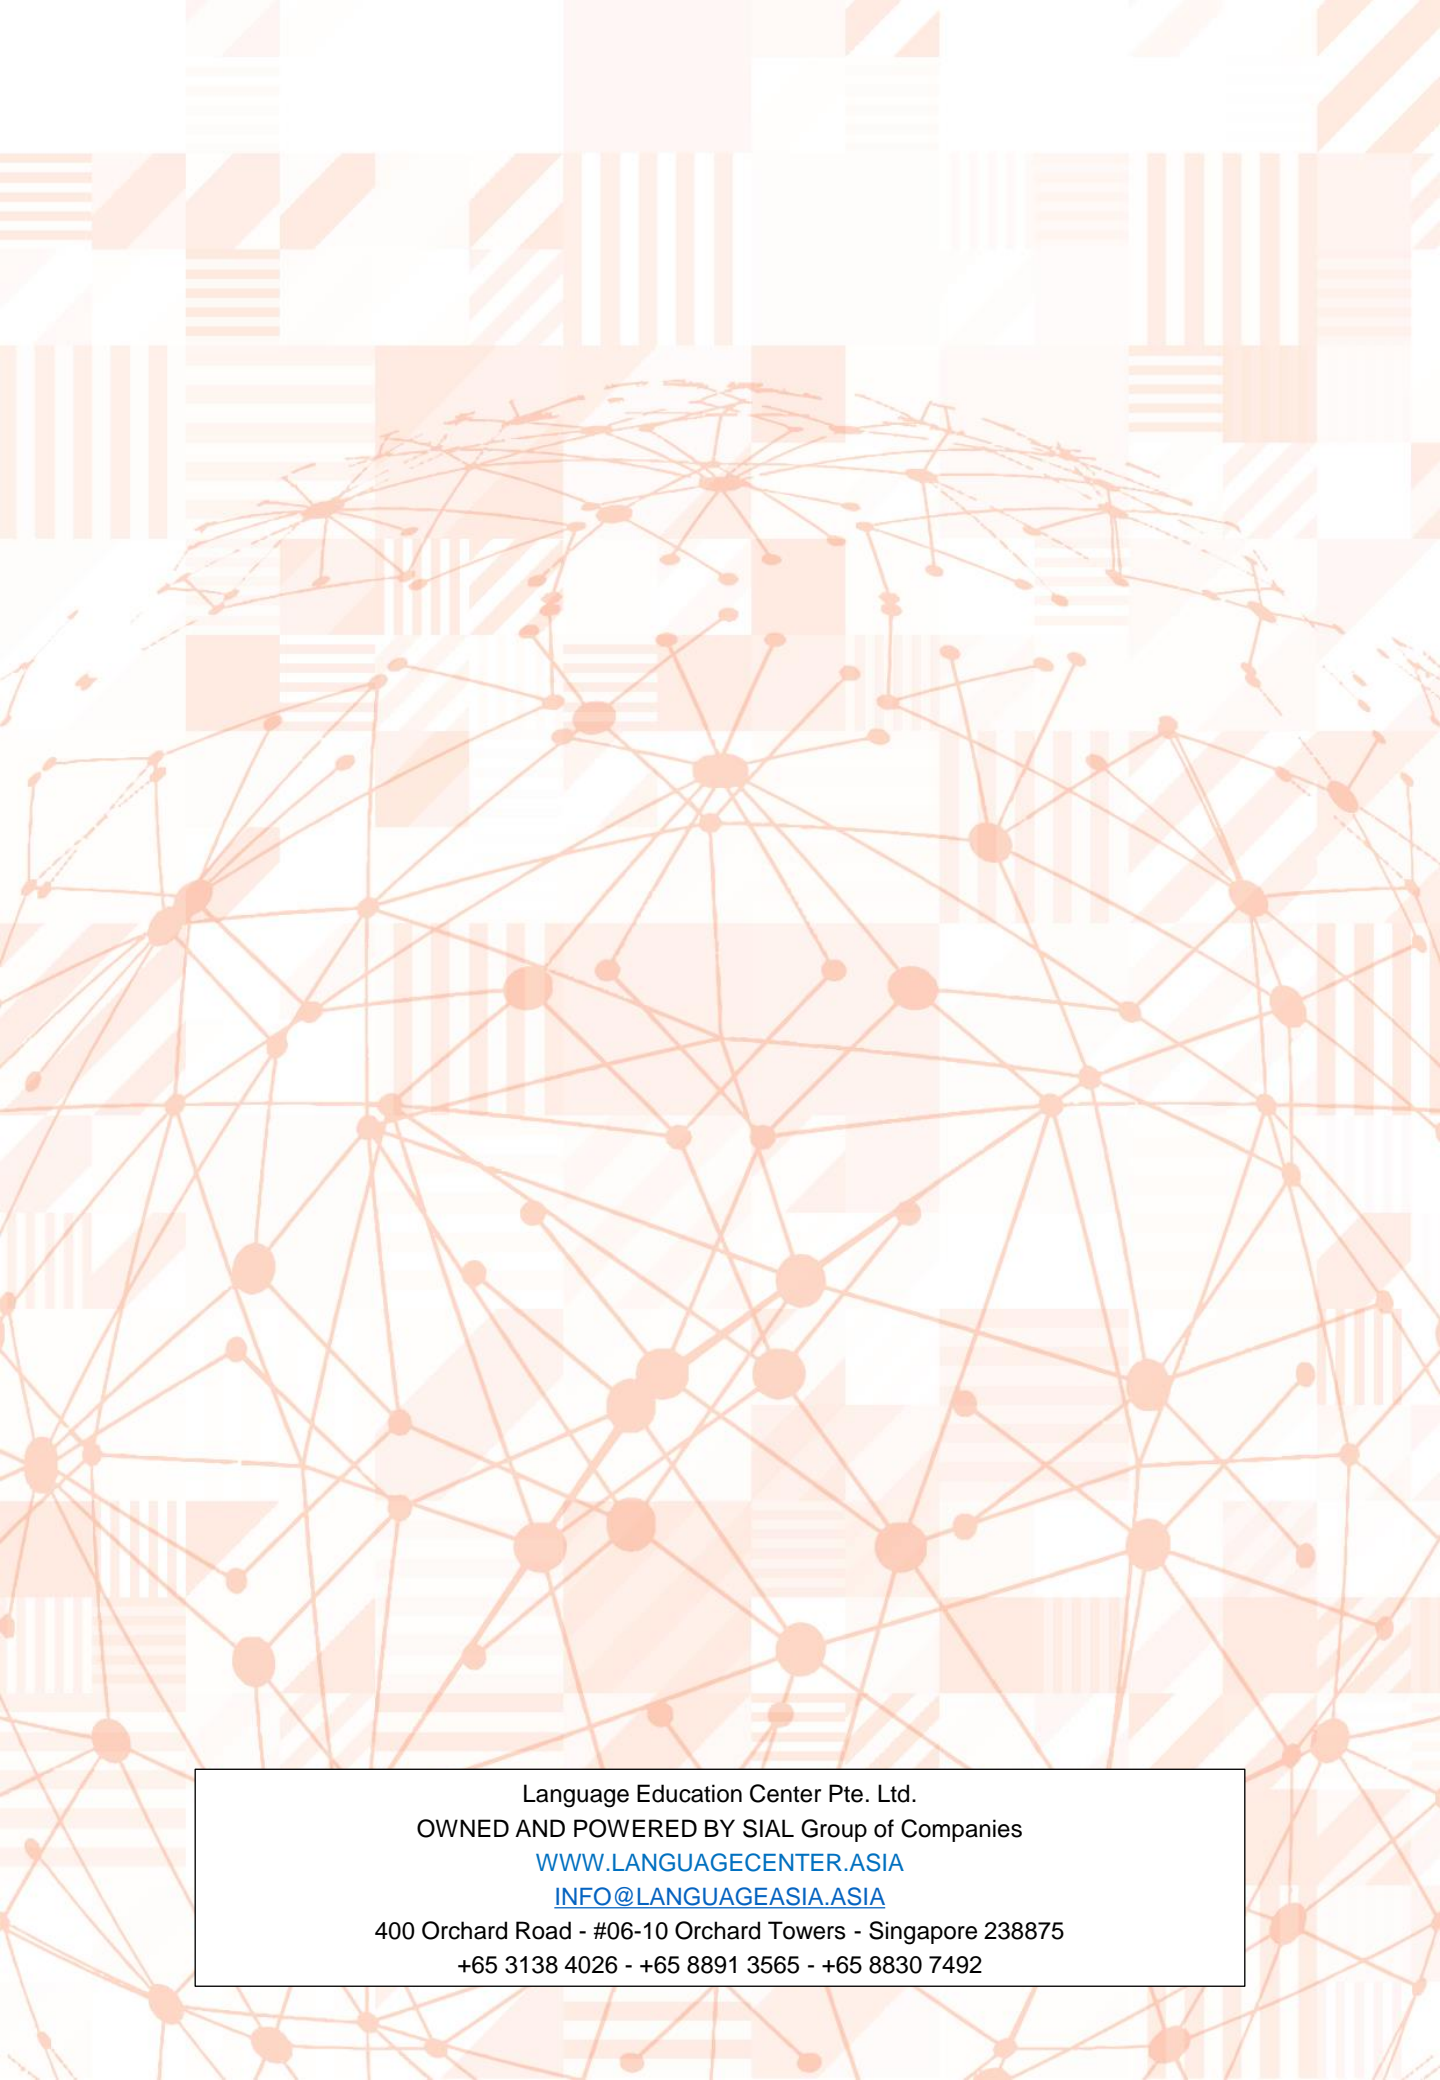

- **Drawing session (30 min):** a topic is given (see program on the next page) and the teacher guides and helps the kids develop their own drawing.
- **Creative Meditation (30 min):** the teacher tells a story about the topic, and the kids are stimulated to imagine their own version of the story.
- Break with snacks (10/15 min).
- **Creative Painting (30 min):** a new technique is taught (see program on the next page), and kids are encouraged to experiment with it.
- **Group Presentation (15 min):** with the help of the teacher, the kids present the artworks made during the lessons.

Course Target Goals:

- Exercise *creativity* to gain *confidence* to express.
- Learn *drawing* and *painting* from observation.
- Develop new *vocabulary*.
